

MEET THE TEACHER!

Miss Erin

Hello! I grew up in Ossian, Indiana and moved to this area with my husband, Tim, when we got married. I love Jesus with all my heart. I have a bachelors degree in education from IPFW. I taught kindergarten and second grade for several years and then decided to be a stay-at-home mom.

My husband, Tim, and I will have been married for 21 years this coming June. We have four big kids and four little kids making our home super full and loud with a total of 8 children (7 boys and 1 girl). Our four little boys attended Little Joes for 3 years and I have been so blessed to be able to help at the preschool since this past winter. I love spending time with my kids: going swimming, taking them to concerts, playing in mud, and any other adventure we can get ourselves into.

I absolutely love Little Joes because of the small and intimate class sizes, hands on learning activities, and the family style atmosphere it provides the kids. I am so thankful and blessed to be a part of this amazing ministry.
