Teacher Note:

I can't believe how fast this school year is going! Some of you are starting to look at registration dates for Kindergarten and that seems impossible! I have sent home days/times for registrations if you need an extra copy let me know. Preschool registration for 2026/2027 opens to the public March 1st. Make sure to get your child's registration done to ensure their spot for next year. Easter is coming soon and that means fun at preschool and the church! The church offers a fun Easter Extravaganza; I will send home details as it approaches!
